

VisQoL Questionnaire

Q1. Does your vision make it likely you will injure yourself (i.e. when moving around your place of residence, neighbourhood, or workplace)?

- It is most unlikely I will injure myself because of my vision [Q1=1]
- There is a small chance [Q1=2]
- There is a good chance [Q1=3]
- It is very likely [Q1=4]
- Almost certainly my vision will cause me to injure myself [Q1=5]

Q2. Does your vision make it difficult to cope with the demands in your life?

My vision:

- has no affect on my ability to cope with the demands in my life [Q2=1]
- does not make it difficult at all to cope with the demands in my life [Q2=2]
- makes it a little difficult to cope [Q2=3]
- makes it moderately difficult to cope [Q2=4]
- makes it very difficult to cope [Q2=5]
- makes me unable to cope at all [Q2=6]

Q3. Does your vision affect your ability to have friendships?

My vision:

- makes having friendships easier [Q3=1]
- has no effect on my friendships [Q3=2]
- makes friendships more difficult [Q3=3]
- makes friendships a lot more difficult [Q3=4]
- makes friendships extremely difficult [Q3=5]
- makes me unable to have friendships [Q3=6]
- Not applicable; I have no friendships [Q3A=7]

Q4. Do you have difficulty organising any assistance you may need:

- I have no difficulty organising any assistance I may need [Q4=1]
- I have a little difficulty organising assistance [Q4=2]
- I have moderate difficulty organising assistance [Q4=3]
- I have a lot of difficulty organising assistance [Q4=4]
- I am unable to organise assistance at all [Q4=5]
- Not applicable; I never need to organise assistance [Q4A=6]

Q5. Does your vision make it difficult to fulfil the roles you would like to fulfil in life (e.g. family roles, work roles, community roles etc)?

My vision:

- has no effect on my ability to fulfil these roles [Q5=1]
- does not make it difficult to fulfil these roles [Q5=2]
- makes it a little difficult to fulfil these roles [Q5=3]
- makes it moderately difficult to fulfil these roles [Q5=4]
- makes it very difficult to fulfil these roles [Q5=5]
- means I am unable to fulfil these roles [Q5=6]

Q6. Does your vision affect your confidence to join in everyday activities?

My vision:

- makes me more confident to join in everyday activities [Q6=1]
- has no effect on my confidence to join in everyday activities [Q6=2]
- makes me feel a little less confident [Q6=3]
- makes me feel moderately less confident [Q6=4]
- makes me feel a lot less confident [Q6=5]
- makes me not confident at all [Q6=6]
